# Digestive System Support through the Eyes.

Genetics	Our eyes can show many different genetic weaknesses, but they never have to manifest if you take care of the body before it is broken.
Prevention	Always support your body on all 3 levels the physical, emotional and the spiritual.
Support	Let me show you how a 3-Dimensional Healing works according to your eyes.

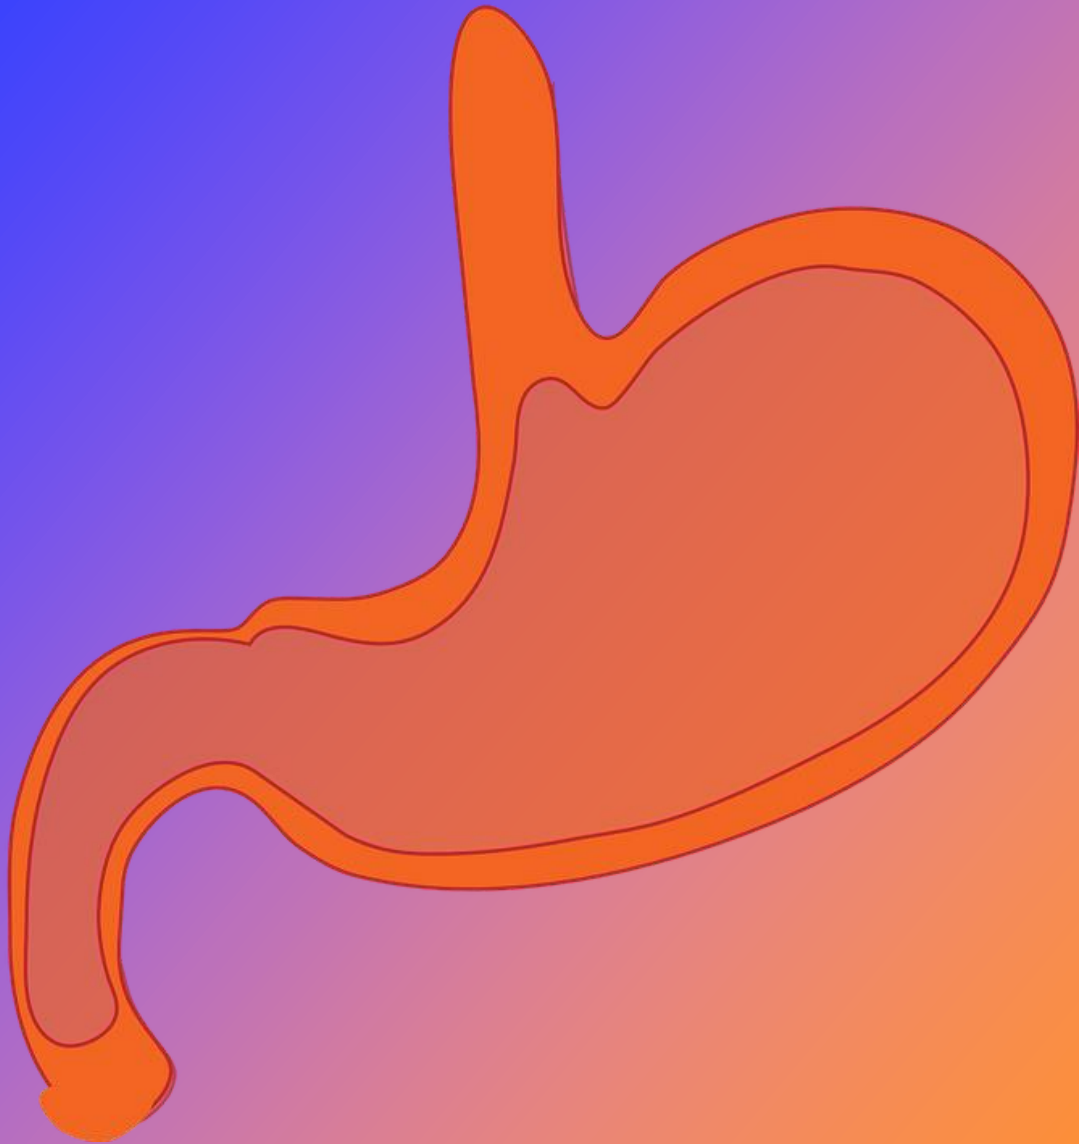

# Physical Dimensional Healing

According to the DNA in our EYES, the Energy reflexives of the stomach are located right outside the PUPIL in your eyes.

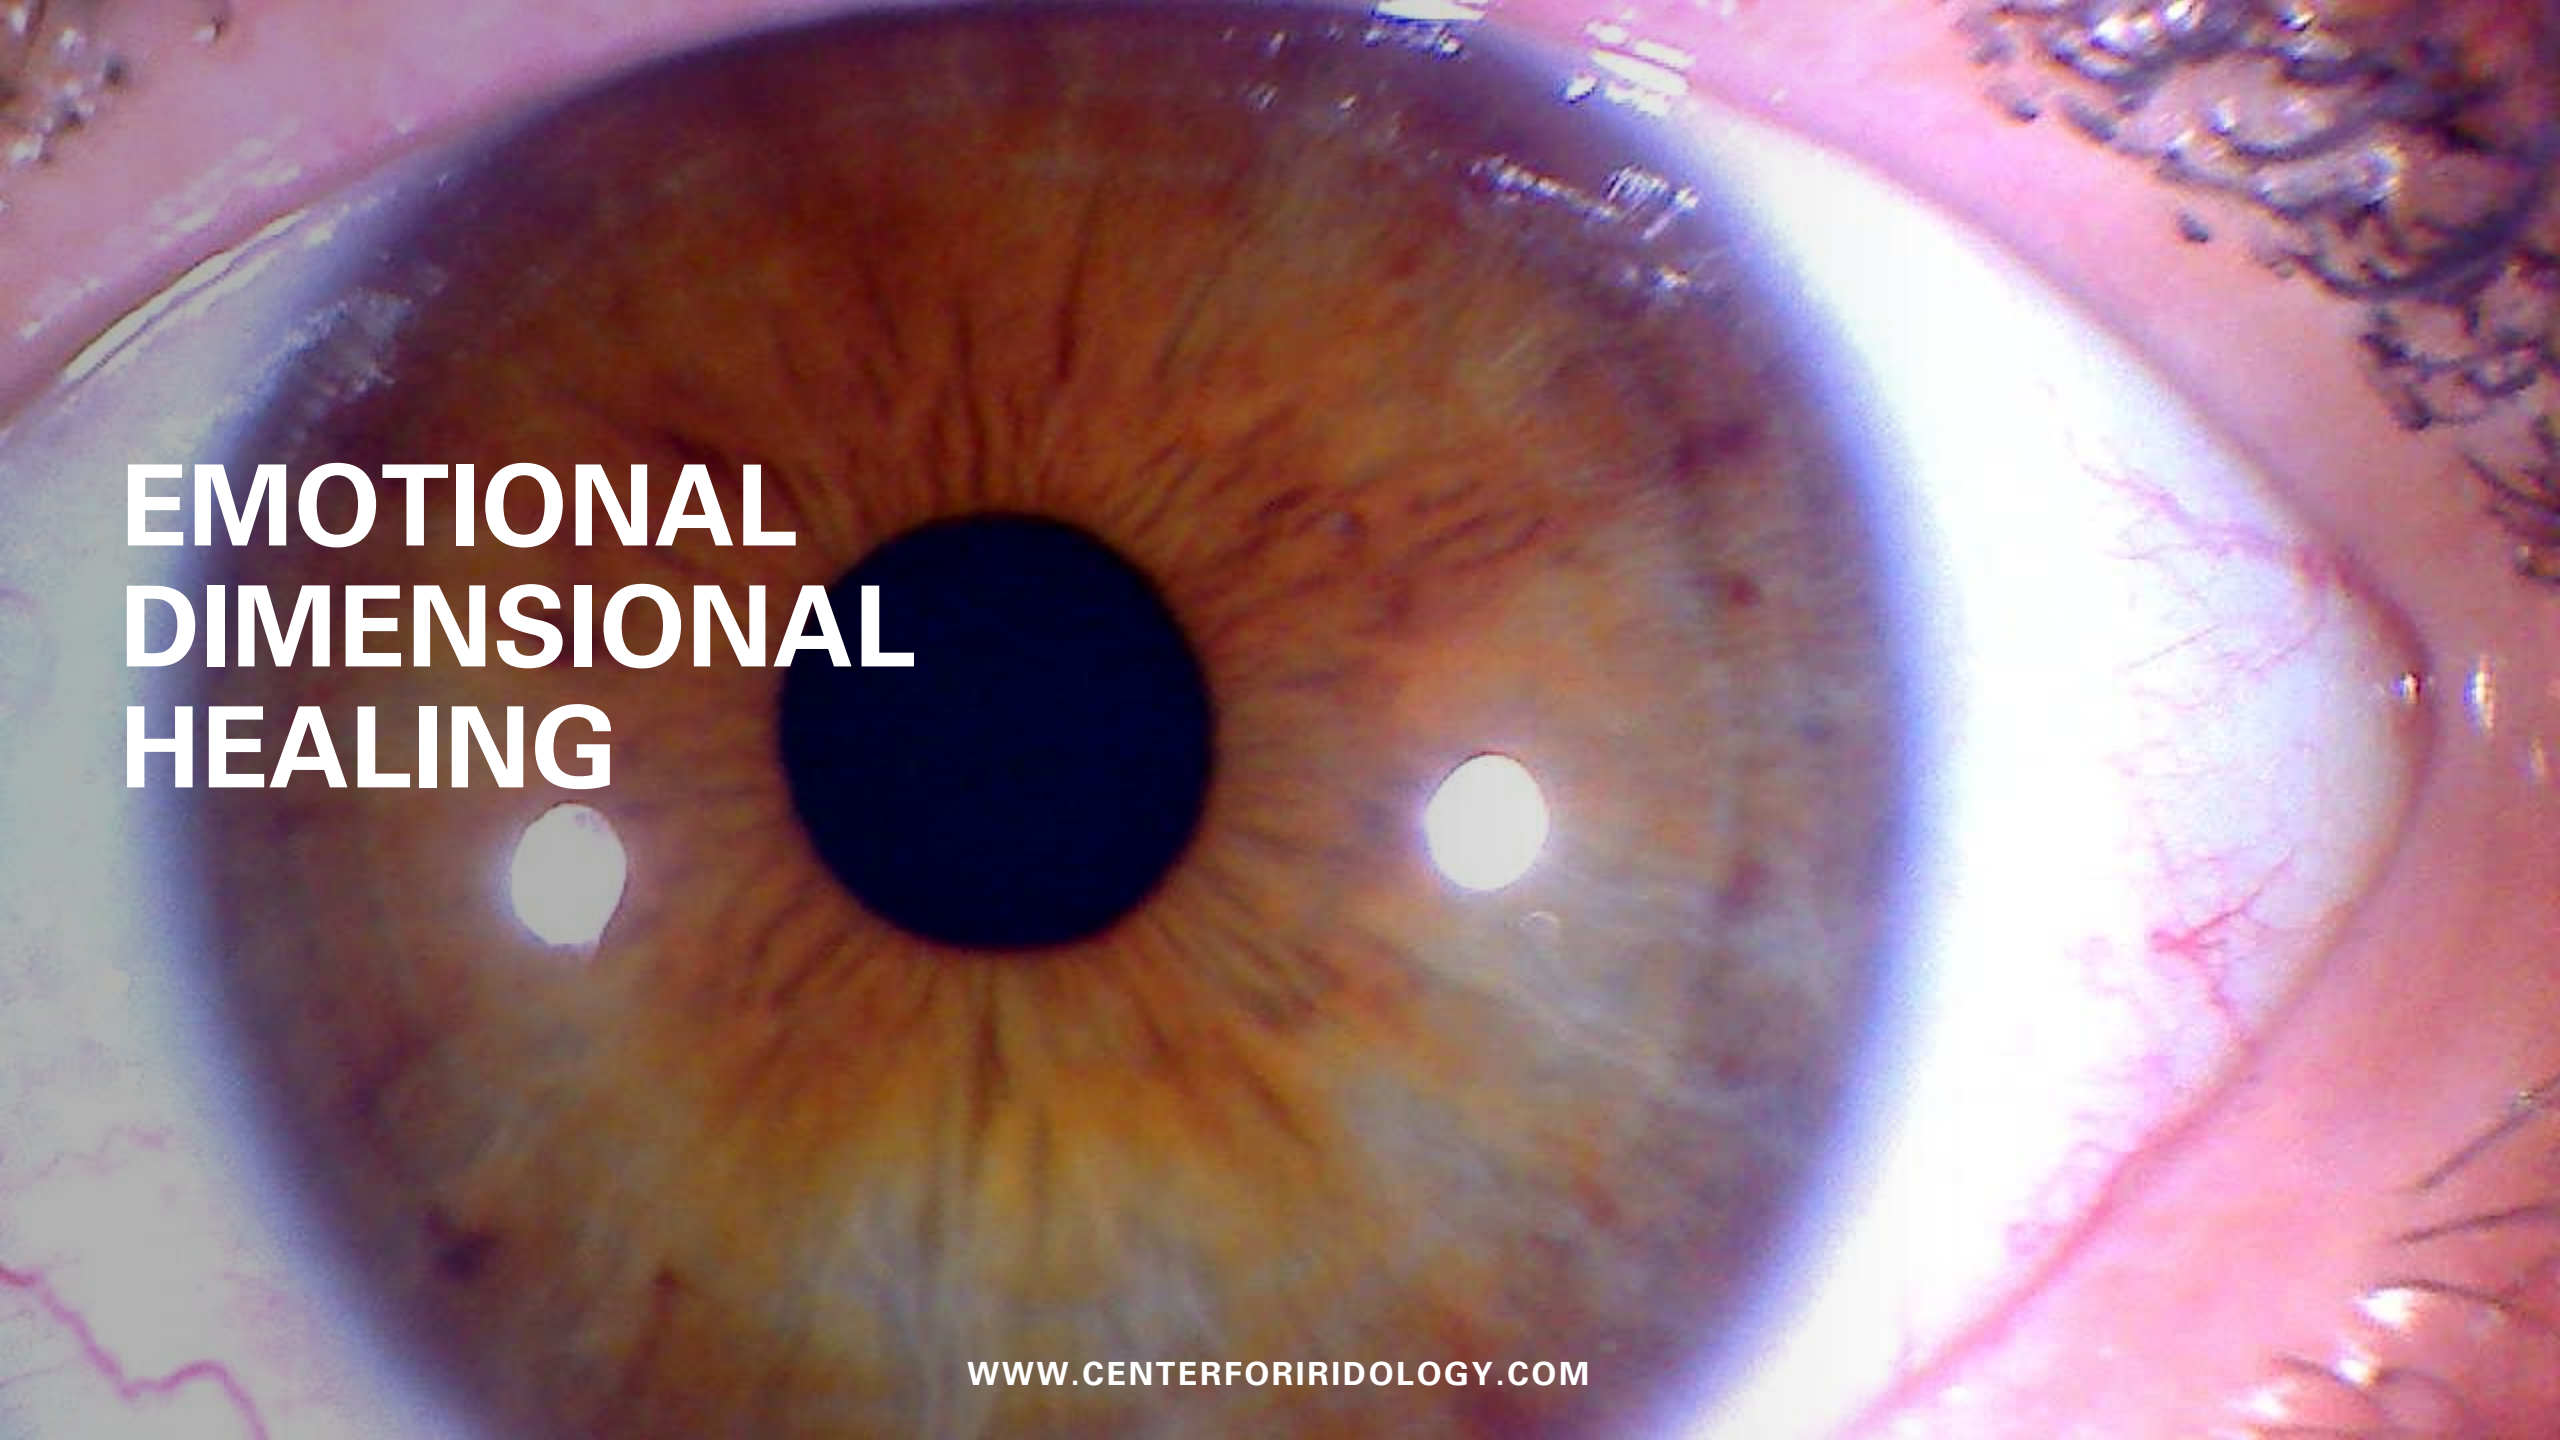

If the edge of the pupil looks like the edge of a comb, that shows genetically a stomach that has a lack of energy. That means **PHYSICALLY** that person might have difficulties to produce enough digestive juices like hydrochloric acid, and digestive enzymes to break down the food.

To avoid bloating, cramping, indigestion in stomach try products like this:

- Digestive Enzymes
- Betaine HCl with Pepsin
- Swedish Bitters

A close-up photograph of a human eye, focusing on the iris. The iris is a light brown color with a radial pattern of fine lines. There are several distinct white spots (foveal) on the iris. The pupil is dark and circular. The surrounding sclera is white, and the eyelid is visible on the right side. The overall image has a slightly grainy texture and a soft focus.

If you feel stressed, upset, overwhelmed, worried, your stomach will feel “full”.

At stressful times you are digesting your feelings not your food.

To avoid digestive issues you need to release your feelings that you have stored in your stomach.

Our stomach is associated with the 3<sup>rd</sup> CHAKRA.

3<sup>rd</sup> Chakra is associated with the YELLOW COLOR.

**YELLOW COLOR** enhances the energy within your Digestive System. Wear yellow color clothing or purchase yellow crystal bracelets.

**The 3<sup>rd</sup> Chakra** spins in the area around the abdomen above the belly button up to the breastbone. A strong 3<sup>rd</sup> Chakra provides personal power, self-esteem, warrior energy, and the power of transformation.

To improve digestion from the spiritual perspective try to work on your **SELF POWER**.
